Game title

The sentence you gave Claude Code, word for word

Premise

One line someone would repeat to a friend.

First second

What is on screen and moving in the very first frame? If you cannot picture it, the idea is not sharp yet.

Main verb

What the player does most, then the two things that support it.

Loop

Do, reward, escalate. Say how each system feeds the next.

Scope

Place: one. Enemies: two or three kinds. Tools: two or three. Round: under five minutes, with a win, a loss and a restart.

Look

Five words, and four colors with hex codes. Time of day, weather, and the one thing that glows.

Sound

The air of the place, and what the main action sounds like.

Done means

Three things a stranger must be able to do, each written so a test can check it.
